As part of my contract with Footsteps, I understand that on registration of my course, I will join the Nova Scotia Association of Reflexology Practitioners, at a cost of \$50, which comprises \$25 for student membership and \$25 administration fee. (A separate form for this will be provided on the first day of the course.)

Cancellation of attendance is required a minimum of 2 weeks prior to the start date of the course and will be charged at 10% of total course fee. Failure to attend the course will result in loss of deposit. In the event that non-attendance results from a medical emergency, a letter from your doctor is required. If it results from another serious emergency a letter from a recognized professional is required. The deposit will be held towards an alternative course date.
